Sacramental Programme -- 2021

Confirmation and First Holy Communion are known as the **Sacraments of Initiation** because they complete the process which began when the child was baptised into the faith at an earlier age.

Confirmation is the reception of the spiritual gifts and graces promised by the risen Christ, and this is what 'confirms' the child as a member of the Church. The process is completed in the Eucharist, which is the source and summit of our faith, where the person is received into full communion with the Body of Christ.

The Church asks that all children receive the **Sacrament of Reconciliation** before completing the Sacraments of Initiation.

The **minimum age / level** for enrolment in the programme is **Year 4** and above.

Please Note:

- 1 (a) **Baptism:** A prerequisite for enrolment in the parish Sacramental Programme is that the candidate has been, or is preparing to be, baptised in the Catholic Church. A valid Christian baptism received in a non-Catholic rite (eg Anglican, Presbyterian, etc) can be acceptable provided it is understood that reception of these Sacraments involves being received into the Roman Catholic Church. A preliminary discussion with the parish priest is requisite in this instance.
 - (b) **Parents** are regarded as the primary teachers of the faith to their children. The programme of instruction provided by the parish is there to supplement and support the learning that occurs in the home. It is therefore essential that every effort is made to attend the designated 'Parent Meetings'.
 - (c) **Attendance:** It is a requirement of the programme that candidates attend **every** catechesis session and that at least one parent attend with them; the Sunday morning sessions (First Reconciliation) include attendance at the parish Sunday Mass.
A roll will be kept of attendance. If it is necessary for a child to be absent because of sickness or some other serious reason it is recommended that one parent will attend the session anyway.
2. **Cost:** There is a fee to cover the cost of books and other materials, etc.:
-- \$15 for the First Reconciliation Programme, and \$25 for the Confirmation & First Communion Programme.
The fee is payable at the time of enrolment.
3. **Closing Date** for enrolments is Friday 26th February, 2021.
