Love your neighbour as yourself – get vaccinated

Following the outbreak of COVID-19 in 2020, the free Pfizer vaccine is now being offered to members of the public, starting with those most at risk. The New Zealand Catholic Bishops are urging you to get vaccinated to protect yourself, your whānau and your community. You will also be protecting those who cannot receive the vaccination; those with underlying health conditions who would be at higher risk of catching the virus and young children.

The Pfizer vaccine is safe and effective, and has been given to hundreds of millions of people worldwide. People can be reassured that any personal information gathered during the vaccination process will not be shared with Immigration New Zealand.

Love your neighbour as yourself, get vaccinated.

For more detailed information about the COVID-19 vaccine, please visit www.get-vaccinated-catholic.co.nz.

Columbarium Proposal

There is a proposal to build a Columbarium on the western side of the church, as a resting place for the ashes of deceased parishioners.

Architectural plans have been drawn up, and the expenses for these funded by a generous donor; they are on display at the back of the church. Please contact the Parish Office if you would like a closer look or more information.

As a parish we need to decide if we want a Columbarium, and whether we are prepared to fundraise to build it.

Please provide feedback to the Parish Office office@devonportcatholic.org.nz or chat with Father Neil or other PPC members.

Early in his gospel Mark observes that people were "astounded at his teaching, for he taught them as one having authority, and not as the scribes" (1:22). As the gospel unfolds we find that Jesus does much of his teaching in parables.

Devonport

Museum trip

St Clare and St Francis walked to the Devonport Museum for a visit as part of the study 'Turangawaewae - the place we stand'. Feedback was that it was a successful learning experience for everyone. It is great to access the local curriculum by making use of resources on our doorstep.

Kapa Haka

Our school Kapa Haka, which makes up about half our school, went to Rosmini College on Friday to take part in the North Shore Catholic Schools Cultural Festival. A small group of ukulele players also shared an item. It is a great occasion for our children as it allows them to experience other cultural groups from other Catholic schools in our area.

God Bless
